INSPECTOR GENERAL OF EDUCATION IN MYSORE
Mysore 186
Bangalore 3rd May 1901

H. J BHABHA, Esq.,
Inspector General of Education in Mysore

The Secretary to the Government of Mysore

General and Revenue Departments

Bangalore

With reference to the concluding sentence of p 3 of Order No 491-15/Ed F 98-99 dated Bangalore 4th October 190 sanctioning the Village School Fund Budget for 1900-1901 I have the honour to inform you that it is impossible to effect any------ savings in the sanctioned recurring charges and bring them down to the actual receipts of the Fund The excess of Expenditure over the actual Receipts has been caused chiefly by two reasons First the receipts from the Local Cess which averaged Rs 209 olo a year for the five years from 1892-94 to 1897-98 fell to Rs [illegible] in 1898-99 and Rs 1,03,830 in 1899-1900 showing a decrease from -- fifteen to sixteen thousand a year Secondly I have been repeatedly asked to submit proposals for new schools additional to those the budget estimates as sanctioned Accordingly propo were submitted in my letter No 1089/079 of 23rd June 1899 f

ror 105 new schools and a sum of Rs 10 476 was sanctioned for them by Order No 1943-44/Ed F 43-96 dated 11tn August 1899 and embodied in tne Village School Fund Budget ror 1899-1900 sanctioned by Order No 1948-49/Ed F 3-96 of tne same date Similarly additional teachers and menial servants costing Rs 6492 a year were applied for in my letter No 10498/587 dated 28th June 1899 and sanctioned by Order No 1941-42/Ed F 44-96 dated 11th August 1899 and embodied in tne Village School Fund Budget for 1899-1900 sanctioned on the same date Besides these recurring charges -- special grants of non-recurring charges for buildings were sanctioned from time to time It has thus happened that tne opening balance of tne Fund which was Rs 332 901 on the 1st July 1899--- was reduced to Rs 306 273 on the 1st July 1900 If a reduction goes on at this rate in the opening balance for some years tne whole of it which was reserved for times of scarcity and for -- permanent village school buildings would in a few years be swept away

2 I drew the attention of Government to these facts and represented at length tne necessity of augmenting the receipts -- from the Local Cess in my letter No 1707/84 dated 6th August 1900 on which I have not been favoured with any orders up to date Far from being able to effect any savings in the recurring ---- charges of the Village School Fund Budget I have almost immediately to submit proposals for revising the scale of pay allowed village school masters which was fixed so long ago as 1867-68 and which has proved very insufficient to meet the limited

limited wants of the masters in these times of greatly enhanced cost of the necessaries of life. Complaints reach me from every part of the Province of the great distress and state of semi-starvation in which most of the village teachers are at present living. The revision of the scale of pay of Village teachers is absolutely necessary. As one step leading to the revision I request that Government may be good enough to give their most liberal consideration to the proposals made in my letter no. 1707/Sch. dated 8th August 1900 for enhancement of the share of the Village Cess fund in the Local Cess.

I have the honour

2 Receipts The Small increase of Rs 150 under the head "VI Contribu... from State Funds", and of Rs 690 un... the head "VII, Private Contributions towards the cost of A V schools in villages", are of a fixed character and may therefore be accepted

The receipts under all the other heads have been estimated at — figures same as those for the last year

3 Expenditure There is a net decrease of Rs 33 799 as detailed in the margin and as accounted

This large decrease is due to the provision of Rs 40000 specially made for the past year on account of Buildings being reduced to Rs 5000 the normal provision

The I Gl has not yet asked for any additional grant for the current year on account of buildings Probably he may do so in the course of a week or two The provision under this head for the year 1898 99 was Rs 15000 inclusive of the normal provision, that for 1899-1900 was Rs 40000 inclusive of the normal provision To enable Govt to fix the allotment for this year the I Gl may perhaps be asked by D O as to what amount he would propose for adoption in the current years Budget

This the I Gl has since done a provision of Rs 45,000 } The I Gl's letter No 1076/59
The file is submitted separately

4 The I Gl's estimates include only the sanctioned charges and require only formal sanction

5 There are a few proposals however, which have to be considered along with the Budget These are noted in the accompanying statement The additional cost involved amounts to Rs 5199 + 40,000 (for buildings

Submitted for orders

The Secretary		

I have no remarks to offer in connection with the Budget estimates of expenditure except that the receipts from fees does not seem to be a wholesome feature

Most of the Village schools are worthless and there is no use of wasting money over them unless the people help the schools have helped themselves in such a way as to give unmistakable evidence of their appreciation of the benefits conferred by the schools and have established schools of their own. If aided schools are to be started in other places, money spent on the aided schools will be a sheer waste. Perhaps a word of caution in this behalf will be in order considering the budget estimates underneath

Extract from the Journal of Council Proceedings

Dated Mysore, 8th September 1900

IV That the Budget Estimates of the Village School Fund for 1900-1901, submitted by the Inspector General of Education, be sanctioned with the exception of the provision for buildings, which will be reduced to Rs 25,000 (inclusive of the normal provision of Rs 5,000), with the remark that the Inspector General is at liberty, on this provision being exhausted, to apply to Government for a further grant, and that he be also informed that all practicable savings should be effected in sanctioned items of expenditure so that the same may not in the aggregate exceed the actual receipts of the Fund

Receipts

2(a) In the circumstances stated by the DI in para 1 of the explanatory memo, the increase of Rs 150 estimated under the head "VI, Contribution from the State Funds" and Rs 690, being the amount of Contribution received from the people towards the cost of certain AV schools opened in villages and credited to the village School Fund — vide separate head VII, newly are accepted. The Estimates under the other heads which show no

no variation from those of the past year will ~~stand~~ also

3 Expenditure

(a) The amount estimated by the D of I under 'Expenditure' is Rs 2,60,120 This provides for the usual charges and will accordingly be retained

(b) To the above a sum of Rs 564 has been added—

(1) Rs 240—, on account of grants in aid sanctioned for the AV School at Nagar (vide Govt Order No. C 2089 d 23rd June '00) This new charge does not seem to have been ~~not~~ provided for by the D of I through ~~oversight~~, and

(2) Rs 324—, on account of Local allowances sanctioned in Govt Gro No. 3455 56 / Ed 246 96 d 4th September 1900. (Item sanctioned since the submission of the Budget to Govt)

apparently excludes the provision for giving increase to the 7 peons above referred to

(2) Rs 432— The provision required for the ~~appointment~~ of a clerk on Rs 12 rising to Rs 15 per m a sweeper on Rs 4 per m and a ~~scavenger~~ Rs 2 per m marginally noted Establishment sanctioned for each of the District Normal Schools at Kolar and Shimoga (vide the ~~Govt~~ No 9465 d 4th April 1900 and Govt order No

(3) Rs 303— on account of house rent and contingent allowances required for certain schools as per details given in the Statement A appended (vide the D Gl's letter No. 9520/445 d 3rd April 1900 and Govt order No. 11624-25 Ed A 50-96 d 20th Idem)

total 5283

(d) There are besides certain new and special charges sanctioned on separate reference and these have been included in the budget as per details given below

Total 20,984

Thus the total amount of Expenditure sanctioned for the year 1900 - 1901 comes up to Rs 2,86,951 which exceeds the estimated receipts by Rs 52,087 which will be met out of the interest accruing on the invested surplus of the village School Fund. The Dsl is however informed that all practicable savings should be effected in the sanctioned items of Expenditure so that the same may not in the aggregate exceed the actual receipts of the Fund

3 *I Instruction* —A local allowance of Rs 3 was sanctioned by Gove ı nment O der No 63 4-5—Ed 231 dated the 2nd December 1899 for each of the two teachers in the School at Marikanave sanctioned by Government Order No 2161 °—Ed 84 dated the 17th August 1899 and the local allowance of a teacher in the Bowringpet talu k has been ra sed from Rs 2 to Rs 3 by Government Order No 8714 15—Ed k 46 96 dated the 27th J nuary 1900 at a total cost of Rs 84 a year A sum of Rs 84 be ng the amount of house rent and contingent allowances included in Rs 10 476 provided for new schools in last year s budget and a f rther sum of Rs 6 being the amount of contingent allowance sanct oned for the Girls School at *Anaratti* out of the unutilized balance of Rs 244 in the budget have been transferred to the head General under which hou e ent and contingent allowances are provided There is thus a decrease of Rs 6 under the head Instruction.

Rs (379 × 12) 4,548 per annum (*vide* correspondence ending with the Inspector General's letter No 9519—444, dated 5th April 1900 and Government Order No 11765—Ed F 23 96 of the 24th Idem) The sum of Rs 4,464 noted for this purpose in para 8 of the Explanatory Memo apparently excludes the provision for giving increases to the seven peons above referred to The Inspector General is requested to furnish direct for the information of the Comptroller a nominal roll of the teachers and peons whose minimum pay will thus be raised, respectively, to Rs 7 and Rs 5

(2) Rs 432 The provision required for the marginally noted establishment sanctioned for each of the District Normal Schools at Kolar and Shimoga (*vide* the Inspector General's letter No 9465—439, dated 4th April 1900, and Government Order No 11513—Ed 481, dated 17th Idem)

(3) Rs 303 On account of house rent and contingent allowance required for certain schools as per details given in the Statement A appended (*vide* the Inspector General's letter No 9520—445 dated 3rd April 1900, and Government Order No 11624 25—Ed F 50 96, dated 20th Idem)

Total Rs .. 5,283

(*d*) There are, besides, certain new and special charges sanctioned on separate references, and these have been included in the budget as per details given below —

(1) Rs 516 being the additional provision required for the two new teachers sanctioned for the Normal School, Mysore, (*vide* Government Proceedings No 4911 12—Ed F 27 96, dated 4th October 1900

(2) Rs 468 required during the current year for the opening of two Moulvis' classes in the Normal School Mysore (*vide* Government No 4909 10—Ed F 27 96, dated 4th October 1900

(3) Rs 20,000 being the special provision sanctioned in Government Proceedings No 4907 8—Ed F 20 96, dated 4th October 1900 on account of building works to be provided for during the current year

Total Rs 20,984

Thus the total amount of expenditure sanctioned for the year 1900 1901, comes up to Rs 2,86,951 which exceeds the estimated receipts by Rs 52,087 This will be met out of the interest accruing on the invested surplus of the Village School Fund The Government desire, however, that this course should

be avoided as far a pos ible and the Inspector General will accordingly be informed that all practicable saving should be effected in the sanctioned items of expenditure so that he same may not in the aggregate exceed the actual receipts of the Fund

4 With the foregoing remarks the Village School Fund budget estimates for 1900 1901 are sanctioned as per accompanying appendices of which an abstract is given below —
